Dear «Donor Name»,

Thank you for your generous contribution to Meals on Wheels-Anderson in support of my Boy Scout Eagle Project. Please know that your donation goes directly to the enhancement of the Meals on Wheels facility and the betterment of its many volunteers and recipients. Your donation directly results in an increase in Meals on Wheels-Anderson's safety, functionality, and ability to assist those in need in our community. As members of the County Council, I'm sure you are all very supportive of those who help your community, and I thank you for your generous contribution to my project.

As a Boy Scout, I appreciate your help greatly, and receive it in several different ways. Your contribution helps Meals on Wheels-Anderson fulfill the Scout Motto, "Be Prepared." The AED will contribute to safety by reducing response time in the event of an emergency. The new sign, lighting, benches, and herb planter will increase functionality and safety by attracting more attention, allowing work during darker hours, and enhancing meals. These donations will exceed the amount required for acquiring the benches and will further contribute towards additional Meals on Wheels-Anderson needs.

Once again, thank you so much for your generosity and support of the Boy Scouts of America and Meals on Wheels. I look forward to completing this project in the near future.

Sincerely,

Jordan Britenburg

Dear Anderson County Council members,
