Thank you for joining us for the unveiling of the Meals on Wheels-Anderson Safety and Facility Improvement Project led by Eagle Scout Candidate Jordan Britenburg.

Today, we celebrate his outstanding work and offer our gratitude to the businesses, individuals and community donors that helped this project come to fruition.

A Letter of Thanks

Special thanks to Meals of Wheels-Anderson, Laurie Ashley and staff, volunteers for your support, patience and assistance over the last ten months. Thank you to all of the monetary community donors for their generosity and support of the project.

Special thanks to my family and friends for their support and to the countless scouts, volunteers and supporters who gave of their time, talents and helped to see this project to completion.
